Selected period: 15 Sep 2026 – 30 Sep 2026, inclusive, in local time (UTC+05:30). Records are included when their recorded start time is on or after 15 Sep 2026 00:00 and before 00:00 on the day after the last date. Only records belonging to this period enter the report: counts, outcome tables, timelines, findings and this overview are all built from those records. Events of an included record that fall outside these dates are shown and marked.

Study off-task recovery evidence

FOUNDED EPISODES	RECOVERED EPISODES	OPEN / INCOMPLETE
4	4	0
started in the selected period	validated recovered closure	not a failed recovery

1 SECANT episode(s) in the selected period were excluded because recorder evidence is incomplete or has a gap. Counts below cover validated episodes only; no behavioural outcome is inferred for excluded episodes.

SECANT verified-return events, recovered episodes and COSECANT return confirmations are distinct evidence units.
